EXPERIENCES

Retail Associate

Sharp Shopper Grocery Outlet • Belleville, PA
August 2019 to Present

- Manager on Duty | Sharp Shopper Grocery Outlet
- Oversee daily cashier operations and assist customers
- Manage the customer service desk and handle concerns.
- Cashier, stock, and support multiple departments.
- Trusted to open/close the store and handle cash accurately
- Dependable team member with strong customer service skills

Freelance Graphic Designer

(Churches)
August 2024 to Present

Provide ongoing design services for churches, including logos, sermon graphics, flyers, tracts, postcards, bulletins, and ministry branding

- Design and set up websites using Wix, helping churches establish a clean, functional online presence
- Create marketing and promotional materials for local businesses, ensuring consistent branding and high-quality visuals
- Build long-term relationships with ministries and small businesses by offering reliable, professional, and ministry-minded design support
- Check out my website at www.richesinglorydesigns.com

Graphic Designer Intern Remote

Sword of the Lord Publications • Murfreesboro, TN
January 2024 to March 2024

- Completed all design responsibilities in a fully remote workflow, communicating effectively with editors and staff across departments
- Designed full book layouts from cover to cover using InDesign, Illustrator, and Photoshop
- Created newspaper ads, promotional graphics, and print-ready materials for nationwide distribution
- Balanced multiple projects simultaneously while meeting strict publishing deadlines

Graphic Designer Intern Hybrid

Genesis Graphics • Belleville, PA

- Worked in a hybrid role combining on-site shop work with remote design tasks to meet client needs efficiently
- Designed custom signage using Adobe Illustrator, translating client ideas into clean, visually effective graphics
- Gained hands-on experience with vinyl application, production processes, and sign fabrication
- Assisted with layout, prepping files for print, and ensuring production-ready artwork
- Continues collaborating with Genesis Graphics as a freelance designer after the internship, supporting them during high-volume projects
